

Declaration of Incorporation

in accordance with EC Machinery Directive 2006/42/ Annex II 1B

Company: IPR – Intelligente Peripherien für Roboter GmbH

Address: Industriestraße 29
74193 Schwaigern
Germany

as manufacturer declares for the following product (incomplete machine):

Designation: Load Limiter

Type: ULS Series

Model: ULS-160; ULS-200; ULS-250; ULS-300

that the underlying requirements of the above directive can be applied and - to the extent as applicable for the incomplete machine - have been kept to.

The specific technical documents in accordance with appendix VII part B directive 2006/42/EG are provided and will be conveyed electronically to the responsible authority on justified demand.

The operating is not permitted until it is ascertained that the machine, into which the partly completed machinery is to be built in, corresponds to the regulations of the a.m. directives.

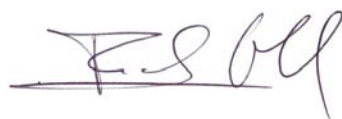

Applied harmonized standards, especially:

EN ISO 12100 Safety of machinery – General principles for design - Risk assessment and risk reduction
